Life is sacred. Sacred because the God of the universe has handcrafted each eternal little one. The value He places on each life dwarfs our national debt. How do we protect what God so cherishes?

We are committed to helping women and men - often alone and frightened - discover the wonder and awesome privilege of carrying life. In the name of Jesus we offer truth, love and resources to enable them to find God's plan for themselves and the baby.

We offer our clients all the facts they need to make an informed

decision on the direction they will go.

We provide:

- Free pregnancy testing
- Confidential peer counseling
- Maternity and baby clothes

There are many ways to be involved in protecting sacred life. Call the Center today to find out how you can be involved.
