

THE DIFFERENCE IS

LIFE

SAMT

**Making a difference – one life at a time.**

H. Martin and grandson, Duane

*“Keeping my baby was the best decision I ever made. Not only has he made a difference in my life, but he has also greatly affected those around me. When I found out I was pregnant with an ethnically mixed child in a society that does not always approve, I thought the world was crashing down on top of me. When I saw my Father hold his little grandson for the first time, I knew at that point that nothing else mattered. That little one made a difference in all the lives around me.” – M. Martin*

It has been said that each person’s life directly influences at least 7 other lives around them in a significant and profound way. The choice of one person not only effects them but also parents, grandparents, families and close friends. As we help those in need we help not only an unborn child but also the mother, the father, the family, the next generation and so many more. Those we touch, one at a time, will truly make an impact on eternity.

Joy or sorrow, delight or despair, there is a choice to be made. Today, our center is helping clients who face these choices to choose life and end the tragedy of abortion. Please help us as we make a difference... one life at a time.

How you can help: Pray, participate in Walk for Life, become a financial partner, volunteer, donate baby items, help us get the word into churches.

Free services that we offer:

- pregnancy test
- 24 hour hotline
- peer counseling
- baby & maternity clothing
- parenting classes
- abstinence programs
- abortion recovery
